

Wow!!! Did you know that we have more amazing products for your benefit & convenience?

Health and Weight Loss

Dynamic Greens: If you or your children need to get more vegetables try this one...it tastes incredible! Tip: Mix with 6 oz of water or rice/almond milk. This is sure to give a boost to your day. It is full of vitamins, minerals, enzymes and probiotics! This one comes in 3 flavors: Chocolate, Strawberry Kiwi and Fruit Punch...One for every palate!

Xymogen Shakes: This is a hypo-allergenic shake designed for maximum weight loss, detoxification, balancing estrogen dominance and athletes. Xymogen makes incorporating breakfast and healthy snacks even easier. These are available in vanilla and chocolate. Great for all body types and goals. Adults and children can enjoy these on a daily basis.

Organic Food Bars: These are the best of the best for you and taste awesome! A perfect snack or breakfast for those on-the-go.

Xylosweet: This is a great way to eat an all natural sugar that is lower on the glycemic index than sugar. It is made from beets and is used in a 1:1 ratio.

Pink Salt: This is a great source of real iodine (especially for those whose iodine patch was gone in less than 24 hrs or those with thyroid issues) and makes food taste delicious!

Gum: A great tasting gum that doesn't use any artificial sweeteners. Good for your teeth and your brain!

Mints: For the mint eaters out there...finally one without artificial sweeteners.

Wild Honey: This unprocessed, raw, wild, unheated Texas honey is the best of the best. We have never tasted honey this yummy before!

Dried Fruits: You won't believe how incredible mangoes, pineapples, goji berries, and bananas can taste when they are dehydrated. They are the perfect snack for on the go!

Super Nano Green Tea: The best green tea on the market.

Pets

Pet supplementation: This is available for those seeking wellness for their beloved four-legged family members.

Education

Seminar CD's and Packets: If you are looking to learn more about wellness you can purchase our latest seminar audio CD's that come with the coinciding research packet.

The Red & Yellow Cookbook: This cookbook guides you on your path to wellness for mind, body and soul. It is an incredible way to make your life easier while implementing your new lifestyle on the yellow and red diet.

The Purple Cookbook: This cookbook is a great resource for vegetable and fruit recipes. It can be an addition to any meal and provides a guide for cleansing and detoxification. You don't want to miss out on this one! There is a sample page from the cookbook in the back of this packet for you to enjoy and experience.

Environmental Protection

Total Shield: This unit helps to block any electromagnetic pollution (such as power lines, computers, TV's etc...) in any home or office. It could even help you sleep better!

Cell phone protector: This device assists in blocking electromagnetic pollution emitted from your cell phone.

Car Protector: This device helps to negate the electromagnetic pollution that we soak up everyday just from riding in our car.

Hygiene and Beauty Care

Toothpaste: This is great tasting toothpaste for the entire family that has no harmful chemicals such as fluoride!

Facial Cleanser: It helps to improve acne, rashes, rosacea, discoloration, eczema, psoriasis and stills takes dirt and make-up off with no harsh chemicals.

Facial Tonic: This is meant to be used after the cleanser to refresh your skin.

Shampoo: The pores in your scalp are easily penetrated, so using an all natural shampoo that cleanses and improves your hair is a must.

Conditioner: For those who need to add moisture to their hair this is meant to be used following a thorough shampooing.

Shaving gel: Appropriate for both the face and body to help reduce break outs and ingrown hairs by using all natural products.

Moisturizers: We have four different kinds to choose from to fit your needs.

Bar Soap: We have five incredible smelling soaps for the hands and body.

Deodorant: We have 2 available types of deodorant that won't clog your pores with toxins!

Liquid Soap: This is for your hands at both your kitchen sink to assist with dishes and your bathroom sink to sanitize your hands.

Canker Cover: This helps to reduce the pain and inflammation and speed up the recovery time from a canker sore!

Lip Balm: These not only keep your lips moist and come in 3 flavors, but it also helps to prevent fever blisters!!!

Nasal spray: This is for anyone who suffers from allergies and/or is sick with nasal congestion. It helps to open the passageways in order to breathe easier while assisting in fighting and preventing infection.

Garlic Ear Oil: This is fantastic for earaches and itchy ears. Use this as a preventative after swimming.

Nail Fungus Remover: Finally...a solution to those yellow nails! Prescription strength yet all natural!

Miscellaneous

Nursing Cover: This is designed to help anyone with a nursing baby. It assists in providing a shield for the baby while nursing to increase modesty and a barrier to light, wind, germs and other environmental factors. It helps to keep the baby asleep longer. Available in 19 boutique prints this is perfect for any baby shower gift so that moms can still feel chic and fashionable!

We are your solution to colds, flu, allergies, parasites & pain

If you or someone you know is dealing with the common cold, earaches, chills, congestion, fever, sore throat, achiness, coughing, mucous production, tonsillitis, allergy attacks or nagging allergy symptoms, parasites, pain and/or sleeping issues etc... we encourage you to utilize the support we offer in order to avoid medication or an increase in symptoms! Just ask the doctor how we can help you knock these symptoms out.
